Information for Transfer Students Entering in January 2015

Congratulations again on your admission to the University of New Hampshire! We are pleased that you are planning to continue your college experience and are committed to providing you with many opportunities to fulfill your goals. This sheet provides information and instructions pertinent to your enrollment at UNH. Contact information for important offices and services is listed for your convenience.

MyUNH-- the UNH Portal/Blackboard

Transfer course evaluation, Course Registration, Tuition Billing and Financial Aid awards are all on-line. **You must access the UNH Portal, "MyUNH"** at myunh.unh.edu to view your transfer credit award, select and register for your classes, review your tuition bill (paying on-line is an option), and check your financial aid status. If you have never used MyUNH before, please refer to the enclosed sheet "MyUNH".

Admission Status/Final Transcript

If you are currently enrolled in coursework, your admission is provisional pending satisfactory completion of your coursework. It is your responsibility to have your final transcript sent to the Admissions Office by January 5, 2015. Your admission may be suspended if we do not receive your final transcript by January 5th, or if your achievement falls below a satisfactory level. If you are enrolled in coursework through UNH Continuing Education, the Thompson School of Applied Science, or UNH at Manchester; the Admissions Office will obtain your final transcript from our Registrar's Office.

Evaluation of Transfer Credits

Go to <http://admissions.unh.edu/accepted> and select "Transfer Students" for general information on the University's transfer credit policy and instructions on how to use My UNH to access a summary of your transferred courses.

Academic Advising, Course Selection & Registration

Registration for new students will begin in December, after currently enrolled students have registered. Please call in December to schedule an appointment with the initial contact for your program/major. At this time you will be able to discuss course selection and registration procedures. The initial contact information is located at <http://admissions.unh.edu/accepted>. Click on "Transfer Students" and then select "How Do I Enroll & Register for Courses?" In November, you will be able to view the Spring Course Schedule and Registration Info at MyUNH under the Tools menu. Space restrictions and/or prerequisites may affect access to certain majors. Please feel free to contact the Office of Admissions if you have questions regarding your assigned major.

Tuition/Billing Procedures

UNH bills students electronically through MyUNH. Go to the Webcat/Services tab and click "Continue" and select "Account Summary & Bill" to review your bill. Students may set up Authorized Payer accounts for parents or others who are responsible for paying the tuition bill. See www.unh.edu/business-services for instructions.

Starting in mid-November, spring semester tuition bills will be posted. The payment due date will be shown on the tuition bill. For planning purposes, spring semester costs are listed below:

	<u>Tuition & Fees*</u>
New Hampshire Residents	\$8,276.00
Non-Residents	\$14,766.00

*Please be aware that there is an additional charge for differential tuition in our business school and in some programs in our engineering college. There are also individual course fees in many other specific classes.

You will also pay a one-time \$350.00 Administrative Fee for new student services.

If your plans change and you do not intend to enroll at UNH, it is your responsibility to notify us in writing/email as soon as possible so that we can withdraw your enrollment:

This site will provide valuable information about the status of your financial aid application and, when all requirements are met, your actual financial aid package.
