Congratulations on your admission to the University of New Hampshire! We are pleased to approve your admission to our university and are committed to providing you with many opportunities to fulfill your goals and help you prepare for your future.

**MyUNH-- the UNH Portal**
Course registration, tuition billing, and financial aid awards are all on-line. You must access the UNH Portal (MyUNH) at [http://MyUNH.unh.edu](http://MyUNH.unh.edu) (blackboard.unh.edu) to select and register for your classes, review your tuition bill (paying on-line is an option), and check your financial aid status. If you have never used MyUNH before, please refer to the enclosed sheet, MyUNH.

**Academic Advising, Course Selection & Registration**
As a new student, you will not register for spring classes until open registration, which begins in December. After the middle of November we will send you an information sheet which will provide you with the name and contact information of the person who can assist you with your spring class registration.

**Tuition/Billing Procedures**
UNH bills students electronically through MyUNH. Go to the Webcat/Student Services tab and click “Continue,” then select “Account Summary & Bill” to review your bill. Students may set up Authorized Payer accounts for parents or others who are responsible for paying the tuition bill. See [www.unh.edu/business-services](http://www.unh.edu/business-services) for instructions.

Starting in mid-November, spring semester tuition bills will be posted. The payment due date will be shown on the tuition bill. For planning purposes, spring semester costs are listed below:

<table>

<tbody>
<tr>
<td>New Hampshire Residents</td>
<td>$8,276.00</td>
</tr>
<tr>
<td>Non-Resident</td>
<td>$14,766.00</td>
</tr>
</tbody>
</table>

*Please be aware that there is an additional charge for differential tuition in our business school and in some programs in our engineering college. There are also individual course fees in many other specific classes.

** Based on rates for a double room & silver meal plan

You will also pay a one-time $350.00 Administrative Fee for new student services.

If your plans change and you do not intend to enroll at UNH, it is your responsibility to notify us in writing/email as soon as possible so that we can withdraw your enrollment.

**Financial Aid**
The required form is the Free Application for Federal Student Aid (FAFSA). If you have applied for financial aid, you may access your financial aid information from MyUNH: go to the Webcat/Student Services tab and click “Continue,” then select “Student Services & Financial Aid,” then select “Financial Aid.” This site will provide valuable information about the status of your aid application, and when all requirements are met, your actual financial aid package.
Final Transcripts
If you are enrolled in college-level classes at the time of your admission to UNH, your admission is provisional pending satisfactory completion of your fall coursework. Please have an official copy of your final transcript sent to the Office of Admissions by Monday, January 5, 2014. If you are taking UNH courses through UNH Continuing Education or at UNH-Manchester, the Admissions Office will obtain your final record directly from the Registrar’s Office.

Housing
In November, the Department of Housing will mail you a packet of information about housing and dining. A $200.00 housing deposit will be requested at that time; do not send any payment until you receive the housing packet. If you do not receive a packet by mid-December, contact the Housing Office at 603-862-2120.

Changing Majors
Changing majors is not uncommon for UNH students. UNH majors have different procedures and prerequisite courses, so careful planning is important. Please keep in mind that some majors are more competitive than others, so not all students are able to change majors. Your achievement in your UNH classes and space restrictions in specific major programs will determine whether you will be able to change your major. We cannot guarantee that you will be able to switch into a specific major.

Disability Services for Students
If you have a disability that requires assistance in the areas of academics, housing, campus travel, recreation, or cultural activities; you should contact the Disability Services for Students office prior to your arrival on campus. Early contact will help us meet your unique needs.
