MAT 171 – Calculus for Business/Social/Life Sciences

Biological Science

BIO 101/102 – Human Biology/Lab

BIO 103/104 – Human Nutrition & Health/Lab

BIO 108 – Marine Biology

BIO 111 – Introductory Biology I

BIO 112 – Introductory Biology II

BIO 121 – Anatomy & Physiology I

BIO 122 – Anatomy & Physiology II

BIO 215 – General Ecology

BIO 220 – Microbiology

SCI 130 – Forensic Science

Physical Science

CHM 111 – College Chemistry I

CHM 121 – General Chemistry I

CHM 122 – General Chemistry II

ERS 135 – Introduction to Astronomy

PHS 111 – College Physics I

PHS 112 – College Physics II

PHS 131 – Engineering Physics I

SCI 111 – Physical Science I

Environment, Technology & Society

No courses currently satisfy this category

Historical Perspectives

HIS 101 – US History I

HIS 102 – US History II

HIS 111 – Western Civilization I

HIS 112 – Western Civilization II

HIS 121 – World Civilization I

World Culture

ANT 101 – Cultural Anthropology

Fine and Performing Arts

ART 106 – Exploring the Arts

MUS 101 – Introduction to Music

MUS 102 – Introduction to Western Music

Social Science

GEO 101 – Introduction to Geography

GOV 101 – American Government & Politics

GOV 102 – Introduction to Political Science

PSY 101 – Introduction to Psychology

SOC 101 – Introduction to Sociology

Humanities

ENG 102 – English Composition II

LIT 201 – American Literature I

LIT 202 – American Literature II

LIT 211 – British Literature I

LIT 231 – The Art of the Movies

LIT 263 – The Short Story

LIT 271 – World Literature I

PHI 101 – Introduction to Philosophy

PHI 110 – Ethics

PHI 202 – History of Modern Philosophy

PHI 206 – Existentialism

REL 101 – World Religions

Writing Intensive

ENG 101 – English Composition I

UNH Bachelor Degree Requirements

To graduate from UNH, students must fulfill course requirements in the following areas: **major** courses, University **Discovery** Program courses and **electives**, totaling 128 credits.

Discovery Program Courses

UNH's Discovery Program builds each student's foundation in general education. To fulfill the Discovery Program, students must take the following courses: one inquiry course¹ (or INQ attribute course); one course in writing skills; one course in quantitative reasoning; as well as one 400- to 600-level course from each of the following Discovery Program categories: Biological Science (BS)²; Physical Science (PS) 2; Environment, Technology and Society (ETS); Fine and Performing Arts (FPA); Historical Perspectives (HP); Humanities (HUMA); Social Science (SS) and World Cultures (WC)³.

1. The Inquiry requirement shall be waived for students with 26 or more transfer credits.
2. One of these two courses must have a lab component.
3. Also may be satisfied by approved study abroad programs.
