Tour Stops

Quick Route — — — — Full Route — — — —

1. **Smith Hall / Admissions**
   Home to Undergraduate Admissions, the Center for Academic Resources, and The SHARPP Center.
2. **Peter T. Paul College of Business and Economics**
   One of the top undergraduate business schools in the country. Offers first-year programs through part-time and online MBAs.
3. **Interoperabilty Lab / ECenter**
   Students gain professional experience testing networking communications products for tech titans at the IOL. The ECenter delivers experiential programming from idea development to company creation.
4. **Downtown Durham**
   Wildcats consider this welcoming college town an extension of campus. Head here for coffee, dining and conveniences.
5. **Huddleston Hall (Hamel Honors & Scholars College)**
   The Hamel Honors and Scholars College offers an innovative model of experiential learning for academically talented students.
6. **Memorial Union Building**
   With a food court, game room, movie theater and more, the MUB is the student union, campus hub and a gathering place all rolled into one.
7. **Holloway Commons**
   UNH's largest dining hall offers allergen-friendly options and award-winning sustainability. UNH is one of only two U.S. universities with 4-Star Green Restaurant Certification in every dining hall.
8. **Hood House**
   Home to Career and Professional Success career counselors, Military and Veteran Services and New Student Programs.
9. **Hamilton Smith Hall**
   This technology-rich space is home to the College of Liberal Arts.
10. **Thompson Hall**
    That iconic UNH view. The first building constructed on campus, Thompson Hall has been a UNH landmark since 1892. Today, it houses university leadership and the Graduate School.
11. **Dimond Library**
    Resources abound here at UNH's biggest library: books, journals, computer stations, study spaces and a coffee shop.
12. **Paul Creative Arts Center**
    UNH's center for the fine and performing arts has studios, practice rooms and a variety of performance spaces.
13. **Kingsbury Hall**
    Home to the College of Engineering and Physical Sciences, Kingsbury Hall inspires innovation through hands-on labs, makerspaces and research experiences that extend beyond the classroom.
14. **Spaulding Hall**
    The recently completed 50,000-square-foot addition brings cutting-edge teaching and research labs to the College of Life Sciences and Agriculture. Built with sustainability in mind, it provides students with hands-on spaces to study, innovate and tackle real-world challenges.
15. **Hewitt Hall**
    Home to many of the majors in the College of Health and Human Services.
16. **James Hall**
    The first building on campus to become LEED certified. Track the energy usage on the real-time tracker located in the lobby.
17. **Congreve Residence Hall**
    A housing favorite for first-year students through seniors, Congreve Residence Hall is a lively, inclusive community at the heart of campus. With 24/7 secure access for residents only, it offers a welcoming place for students to live, connect and thrive.
18. **Hamel Recreation Center**
    Everything you need to stay active and find your fit, including ball courts, an indoor track, cycling studio, climbing wall and outdoor swimming pool.
19. **Whittemore Center**
    Home to UNH hockey, concerts and large-scale events, the Whittemore Center is also known for a unique Wildcat tradition: fans toss a fish onto the ice after the first goal of the hockey season.
20. **Wildcat Statue**
    You're at the Cat! New students bop the nose of this fan-favorite sculpture for good luck.
21. **Main St. / Transportation**
    Wildcat Transit helps the UNH community get around campus and neighboring towns.
22. **Dairy Bar / Amtrak**
    First three-star green certified restaurant in the state. Catch the Amtrak to Boston, Massachusetts or Portland, Maine.
23. **Field House**
    Cheer on the basketball, volleyball, track, gymnastics and swimming and diving teams.
24. **Wildcat Stadium**
    Home to UNH football, soccer, lacrosse and track and field.
25. **College Woods**
    The university's 250-acre classroom. Woods, streams and fields great for hiking, walking, running and communing with nature.
26. **Health Sciences Simulation Center**
    20,000 square feet of cutting-edge facilities for future health leaders.
27. **NH Veterinary Diagnostic Laboratory**
    The place to diagnose diseases in pets, farm animals, wildlife, and more.
