

ARTICULATION AGREEMENT  
 BETWEEN  
 RIVER VALLEY COMMUNITY COLLEGE  
 AND  
 THE UNIVERSITY OF NEW HAMPSHIRE  
 COLLEGE OF LIFE SCIENCES AND AGRICULTURE  
 MEDICAL LABORATORY SCIENCE

2014

This agreement is an inter-institutional effort to meet the needs of the State of New Hampshire, New England, and the broader health care community for competent, professionally-trained medical technologists with baccalaureate degrees. In developing this articulation agreement, we reaffirm the right of each program to govern its curriculum, but recognize the mutual benefits that accrue from planned relationships.

Therefore, we agree that:

1. Students eligible for this program will have completed the Medical Laboratory Technician Program with a cumulative grade point average of 2.5 or better and will be eligible for the MLS(ASCP) national certification examinations.
2. The UNH Office of Admissions will accept the following courses for transfer credits (note that there is not always a course-for-course correspondence):

3. This credit transfer will apply to courses taken since the beginning of the 2008 academic year.
4. These courses will be reassessed at five-year intervals to ensure they maintain comparability to the University courses.
5. As other courses offered by River Valley College are evaluated as being comparable to the University courses, they may be added to this Articulation Agreement.
6. This agreement can be amended as needed upon the agreement of representatives from both institutions.
