**UNH Bachelor Degree Requirements**

To graduate from UNH, students must fulfill course requirements in the following areas: **major** courses, University Discovery Program courses and **electives**, totaling 128 credits.

**Discovery Program Courses**

UNH’s Discovery Program builds each student’s foundation in general education. To fulfill the Discovery Program, students must take the following courses: one inquiry course (or INQ attribute course); one course in writing skills; one course in quantitative reasoning; as well as one 400- to 600-level course from each of the following Discovery Program categories:
- Biological Science (BS)
- Physical Science (PS)
- Environment, Technology and Society (ETS)
- Fine and Performing Arts (FPA)
- Historical Perspectives (HP)
- Humanities (HUMA)
- Social Science (SS)
- World Cultures (WC)

1. The Inquiry requirement shall be waived for students with 26 or more transfer credits.
2. One of these two courses must have a lab component.
3. Also may be satisfied by approved study abroad programs.
